SINGLE FAMILY HOMES

Gated Community

A new and renovated residence of 13 executive homes with an elegant and modern look.

The construction is of the highest quality with high-end finishes in a **private gated community** sitting one block from the water in coveted Siesta Key.

Open concept rooms, high ceilings, wood accent walls, and lots of balconies that allow natural sunlight to spread throughout the home and enjoy the best sunsets.

The garage has a huge amount of storage to store your golf cart, kayaks, and beach gear; after all, you are only one block from the water. As you get out of your car, you have the option to take the elevator or the stairs up to your beautiful open living area and bedrooms.

All residences have their own private pool and garden area to enjoy.
